EDUCATION

UNIVERSITY OF MARYLAND | SCHOOL OF PUBLIC HEALTH

Aug 2019 - May 2023

Bachelor of Science | Public Health Science | President's Scholarship | College Park, Maryland

PROFESSIONAL EXPERIENCE

MEDICAL ASSISTANT | FAIRFAX FAMILY MEDICINE CENTER

August 2024 - Present

Fairfax, VA

- Managed high-volume patient vitals, scheduling, and procedures for 60-70 patients daily, while liaising with external specialty doctors to coordinate medical records.
- Bridged communication gaps for a predominantly Korean-speaking patient population, enhancing access to specialized care.
- Navigated complex insurance policies to secure medication/procedure coverage, advocating for patients and mitigating financial barriers.

MEDICAL SCRIBE | SUMMIT MEDICAL GROUP

May 2022 - Dec 2023

Columbia, MD

- Conducted patient interviews, concisely presenting key findings to physicians to streamline appointments and enhance efficiency.
- Navigated multiple Electronic Health Record (EHR) systems to ensure thorough and accurate documentation.
- Translated complex medical information into actionable guidance for patients on lab results and prescribed medications, improving patient understanding and adherence to care plans.

RESEARCH ASSISTANT | UMD BACTERIAL PATHOGENESIS LAB

Jan - Dec 2021

College Park, MD

- Developed and presented a research proposal on gene PA14_72710's role in Pseudomonas aeruginosa biofilm development and its significance for catheter-associated urinary tract infections.
- Performed wet lab experiments and utilized gene editing tools, preparing findings for presentation to peers and professors.

RESEARCH INTERN | U.S. FOOD & DRUG ADMINISTRATION

June - August 2020

Silver Spring, MD

- Synthesized findings from academic journals on MSCs and their effects on wound healing to inform ongoing research.
- Summarized and presented research on the latest advancements in MSCs and their application in wound healing to the team lead.

EXTRACURRICULAR

PHILANTHROPY CHAIR | SIGMA PSI ZETA

Aug 2021 - May 2022

College Park, MD

- Addressed fundraising challenges by conceptualizing and implementing a new campus thrift store initiative, generating significant sustainable proceeds.
- Managed end-to-end fundraising campaigns, overseeing efficient sales operations and subsequent proceed donation to domestic violence shelters in Washington, DC.
